No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 9. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve (12%) per cent per annum. The Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use or abandonment of his Lot.

In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specification have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

The Architectural Committee shall further be empowered to oversee all matters of aesthetics in the subdivision, including, but not limited to yard landscaping and maintenance, yard or house decoration, structures and any item placed within a yard or driveway, or upon a house, as well as to oversee violations of these covenants, restrictions and conditions. Additionally, the Association shall provide maintenance for any walking trails, recreation lands, parks, landscape easement, entrance signs, street signs, stop signs, lighting, sprinkler systems, landscaping, landscape lighting, and common areas added to the subdivision in the future. The cost of such maintenance, repairs and replacements shall be paid for out of the assessments provided for in Article V above. In the event an Owner neglects or otherwise refuses to maintain his or her house and other accoutrements in a state of repair consistent with the beauty and welfare of the remaining area, including but not limited to painting of the exterior, then and in that event, the Architectural Control Board may effect such maintenance, repairs or replacement, and the cost of such maintenance, repairs and replacements shall be added to and become a part of the assessment to which such lot is subject pursuant to Article V.

ARTICLE IX

Section 1. Annexation of additional property shall require the assent of two-thirds (2/3) of the Class A Members and two-thirds of the Class B Members, if any, at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. The presence of Members or of proxies entitled to cast sixty (60%) percent of the votes of each Class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth above, and the required quorum at each subsequent meeting shall

be one-half (1/2) of the required quorum of the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting. In the event that two-thirds (2/3) of the Class B Membership are not present in person or by proxy, Members not present may give their written assent to the action taken thereat.

Section 2. If at any time before January 1, 2030, the Declarant shall decide to develop the adjacent lands, such additional lands or any portion thereof may be annexed to said properties without the assent of the Class A Members. Provided, however, the development of the additional lands described in this section shall be in accordance with a general plan submitted to the Federal Housing Administration and the Veterans Administration with the processing papers for the first section. Detailed plans for the development of additional lands must be submitted to the Federal Housing Administration and the Veterans Administration prior to such development. If either the Federal Housing Administration or the Veterans Administration determines that such detailed plans are not in accordance with the general plan on file and either agency so advises the Association and the Declarant, the development of the additional lands must have the assent to two-thirds (2/3) of the Class A Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. At this meeting, the presence of Members or of proxies entitled to cast sixty (60%) per cent of all of the votes of the Class A Membership shall constitute a quorum. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.
