13. Street Lights: The owner reserves the right to subject the property to a contract with South River Electric Membership Corporation for the installation underground electric service and street lights either of which may require an initial and a continuing monthly obligation to South River Electric Membership Corporation by the owner of any lot in the subdivision.

14. Enforcement: Enforcement shall be by proceeding at law or in equity, against any person violating or attempting to violate any covenant, either to restrain violation or to recover damages, or both.

15. Recreation Equipment and Fixtures: No recreation equipment or fixtures may be located closer to the street right-of-way than the front face of the residence.

16. Severability: Invalidation of any one of these covenants by judgment or Court Order shall remain in full force and effect.
