Class A Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership. In the event that more than one person, group of persons or entity is the record Owner of a fee interest in any Lot, then the vote for the membership appurtenant to such Lot portion shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot. In the event agreement is not reached, the vote attributable to such Lot shall not be cast.

4.5.2 Class B Members. The Class B Member during the Development Period shall be the Declarant. The Class B Membership shall cease and be converted to Class A membership upon the expiration of the Development Period.

Section 4.8 Construction Defects. The obligations of the Association and of Owners to repair, maintain and replace the portions of the Subdivision for which they are respectively responsible shall not be limited, discharged or unreasonably postponed by reason of the fact that any maintenance, repair or replacement may be necessary to cure any latent or patent defects in materials or workmanship in the construction of the project. The undertaking of repair, maintenance or replacement by the Association or Owners shall not constitute a waiver of any rights against any warrantor but such rights shall be specifically reserved. Likewise, this Section 4.8 is not intended to work for the benefit of the person or entity responsible for the construction defect. Also, performance by Association may be delayed if Association does not have the means or the funds to repair the defect or if by repairing the defect, Association would be compromising the right to sue to have the defect corrected and/or to collect damages caused by the defect.

Section 4.9 Effect of Insurance or Construction Guarantees. Notwithstanding the fact that the Association and/or any Lot Owner may be entitled to the benefit of any guarantee of material and workmanship furnished by any construction trade responsible for any construction

defects, or to benefits under any policies of insurance providing coverage for loss or damage for which they are respectively responsible, the existence of construction guarantee or insurance coverage shall not excuse any unreasonable delay by the Association or any Lot Owner in performing his obligation hereunder. Likewise, this Section 4.9 is not intended to work for the benefit of the person or entity responsible for the construction defect. Also, performance by Association may be delayed if Association does not have the means or the funds to repair the defect or if, by repairing the defect, the Association would be compromising the right to sue to have the defect corrected and/or to collect damages caused by the defect.

## ARTICLE V

### COVENANT FOR ASSESSMENTS

Section 5.1 Regular Assessments. Regular Assessments for the payment of the Common Expenses shall be made in the manner provided herein, and in the manner provided in the Bylaws. The Regular Assessment is established for the benefit and use of the Association and shall be used in covering all of the Common Expenses.

Section 5.2 Special Assessment. In addition to levying Regular Assessments, and to the extent that the reserve fund is insufficient, the Board of Directors may levy Special Assessments to construct, structurally alter, or replace improvements which are a part of the Common Areas, provided that funds shall not be assessed for any capital improvement in excess of Twenty Five Thousand and 00/100 Dollars (\$25,000.00) for any one item or in excess of Fifty Thousand and 00/100 Dollars (\$50,000.00) in the aggregate in any one calendar year ("Capital Expenditure Limit") without the prior written consent of two-thirds (2/3) of the votes of each Class of Members who are voting either in person or by proxy at a meeting duly called for such purpose or unless expressly stated in the annual budget. The Board of Directors shall have the authority to adjust the Capital Expenditure Limit annually to account for inflation, which adjustment shall be effective each January (hereinafter referred to as the "Adjustment Date") commencing January 1 of the next year following the year during which the sale of the first Lot by Declarant. As of each Adjustment Date, the Capital Expenditure Limit shall be increased from the Capital Expenditure Limit on the date of this Declaration ("Effective Date") by a percentage equal to the percentage increase, if any, in the Consumer Price Index, All Urban Consumers ("CPI-U"), (1982-1984=100), All Items, as compiled and published by the Bureau of Labor Statistics, U.S. Department of Labor ("CPI") from the Effective Date to the Adjustment Date. If after the date of this Declaration the CPI is converted to a different standard reference base or otherwise revised or ceases to be available, the determination of any new amount shall be made with the use of such conversion factor, formula or table for converting the CPI as may be published by any other nationally recognized publisher or similar statistical information reflected by the Board. Until the expiration of the Development Period or the date on which Declarant no longer owns a Lot, whichever is earlier, Declarant shall be one of the consenting Members, or the capital improvement shall not be made. The Board of Directors shall calculate each Lot's proportionate share of the Special Assessment for the capital improvements, and shall give the Lot Owner(s) written notice of the proportionate share and of the date(s) that the Special Assessment is due and payable. Notwithstanding the foregoing, Declarant shall have no obligations to pay any Special Assessment with respect to any Lot owned by it unless there is a Dwelling Unit located upon the Lot that is occupied as a residence.

Section 5.3 Working Capital Assessment. Upon the initial transfer of record of the Lot from the Declarant (or successor declarant or designated declarant) to the Lot Owner (other

than a successor declarant or designated declarant), the purchaser is required to pay a sum equal to two (2) full months of the Regular Assessment due on his or her Lot as his or her initial contribution to the working capital of the Association. This sum is not an advance payment of the monthly Regular Assessment; rather the sum is allocated to a working capital fund to meet unforeseen expenditures and operating expenses or to purchase any additional equipment or services. While the Declarant is in control of the Association, it cannot use any of the working capital funds to defray its expenses, reserve contributions, or construction costs. When control of the Association is transferred to the Lot Owners, the working capital fund shall be transferred to the Association for deposit to a segregated fund. After control of the Association is transferred to the Lot Owners the Declarant shall be responsible to collect the initial contribution to the working capital account and forward such funds to the Association. Additionally, at the closing, each purchaser of a Lot is required to pay a pro-rata share of the Regular Assessment due in the month of closing.

Section 5.4 Individual Assessment. In the event that the need for maintenance, repair or replacement of any improvement on the Property, for which the Association has the maintenance, repair and/or replacement obligation, is caused through the willful or negligent act of an Owner, his family, his pet(s), Resident, the cost of such maintenance, repairs or replacements shall be paid by such Owner. The Board shall have the maintenance, repair or replacement done and the cost thereof shall be provided by the Board to said Owner and shall be paid by said Owner within thirty (30) days thereafter, unless an earlier date is otherwise set forth herein.

Section 5.5 Date of Commencement of Assessments; Due Dates; Determination of Regular Assessments; Fine Assessments.

5.5.1 The monthly Regular Assessment provided for herein shall commence as to each Owner of a Lot, except Declarant, on the first day following the initial conveyance of the Dwelling Unit to the Owner and shall be adjusted according to the number of days remaining in the month. The Declarant, its successors and assigns, shall not be required to pay the Regular Assessment for any Lot which it owns until such time as Declarant transfers the Lot to a third party. The Board of Directors shall fix the amount of the monthly Regular Assessment to be paid by each Class A Member against each Lot at the beginning of each calendar year. Written notice of the monthly Regular Assessment shall be sent to every Class A Member subject thereto. The Board of Directors shall establish the due dates.

5.5.2 The Board of Directors, or an adjudicatory panel established by the Board of Directors, may levy a reasonable Fine Assessment, as a fine or penalty for violation of this Declaration, all in accordance with the Planned Community Act. A lien may be filed for this Fine Assessment and this Fine Assessment may be enforced by foreclosure and otherwise treated as a Regular Assessment.

5.5.3 If the Association is paying the water and/or sewer bill(s) for the Subdivision or any Lot Owner within the Subdivision, the Association may assess each Lot Owner benefited for its share of the water and/or sewer bill(s). Each Lot Owner shall bear an equal share of the bill, but the Association can assess an extra amount against a Lot Owner to recover the cost of any extraordinary amount of water used by that Lot Owner. "Extraordinary" shall be as determined by the discretion by the Board of

Directors. The Assessment for water and sewer shall be part of the Regular Assessment and shall be considered a Common Expense.

5.5.4 Both Regular and Special Assessments for a Lot Owner shall be determined by the Association based upon the proportion that each Lot bears to the aggregate number of Lots located on the Property, except those owned by Declarant which are not assessed in accordance with Section 5.5.1 above. The Association's governing body may, at its discretion, waive the Regular Assessment for any year or part of a year for any Lot not occupied as a residence.

Section 5.6 Billing. The Association shall inform each Lot Owner of the amount of the total Regular Assessment due from the Owner of that particular Lot. This Regular Assessment may be paid in monthly installments or as otherwise required by the Association. The Owner of each Lot must pay his Lot's required Regular Assessment in advance on the first calendar day of each month, unless the Association otherwise directs. Payment is to be made to such person at such an address as Association determines. Special Assessments are due thirty (30) days after the bill for the Special Assessment has been mailed or otherwise sent out by Association, unless the Association otherwise directs. The Owners of the initial Lots in the Subdivision, except Declarant, shall be obligated to begin paying the Regular Assessment as of the first day of the initial conveyance of the Lot from Declarant to the Owner. If the Subdivision is expanded and additional Lots are brought into the Subdivision during a given Assessment year, those additional Lots shall begin paying the Regular Assessment on the first day of the initial conveyance of the Lot from Declarant to the Owner.

Section 5.7 Common Surplus. If the Regular Assessment collected in any given year is in excess of the actual Common Expenses for that year, the Board may, at its sole discretion (a) return each Owner's share of the Common Surplus; (b) credit each Owner's share of the Common Surplus to each Owner's payment as for the Regular Assessment for the following year; or (c) apply the Common Surplus to the reserve.

Section 5.8 Assessment Certificate. The Association shall, upon demand, at any reasonable time, furnish to any Owner liable for Assessments a certificate in writing signed by an Officer or other authorized agent of the Association, setting forth the status of said Assessments; i.e., "current", and if not current, "delinquent" and the amount due. Such certificate shall be conclusive evidence of the payment of any Assessment therein stated to have been paid. A reasonable charge to cover labor and materials may be made in advance by the Association for each certificate.

Section 5.9 Books and Records of the Association. The Association shall keep full and correct books of account. The Association shall make available to all Lot Owners and the holders of all first mortgages on Lots, current copies of the books, records and financial statements of the Association upon reasonable request during normal business hours. All funds collected by the Association shall be held and expended solely for the purposes designated by this Declaration and shall be deemed to be held for the use, benefit and account of the Association and all of the Lot Owners. All books and records must be kept in accordance with good accounting procedures and must be reviewed at least once a year by an independent accounting firm.

Section 5.10 Non-Payment of Assessment. Any Assessments levied pursuant to these covenants which is not paid on the date when due shall be delinquent and shall, together

with such interest and other costs as set out elsewhere in this Declaration, thereupon become a continuing lien upon the Lot which shall bind the Lot in the hands of the then Owner and the Owner's successors and assigns.

If the Assessment is not paid within thirty (30) days after the due date, the Assessment shall bear interest at a reasonable rate of ten percent (10%) per year or at such other reasonable rate set by Association in its minutes, not to exceed the maximum amount allowed by law, and the Association may bring an action at law against the Owner personally obligated to pay the same and/or foreclose the lien against the Lot, in either of which events interest, costs and reasonable attorneys' fees shall be added to the amount of each Assessment. No Owner may waive or otherwise escape liability for the Assessments by non-use or waiver of use of the Common Areas or by abandonment of his Lot.

Section 5.11 Priority of Association Lien. The lien provided for in this Article V shall take priority over any lien or encumbrance subsequently arising or created, except liens for real estate taxes and assessments and liens of bona fide first mortgages which have been filed of record before a claim of this lien hereunder has been docketed in the office of the clerk of superior court in Harnett County, and may be foreclosed in the same manner as a mortgage on real property under power of sale in an action brought by the Association in accordance with the Planned Community Act. The Association is entitled to recover its reasonable attorneys' fees and court costs and collection costs, as part of the lien. In any such foreclosure action, the Association shall be entitled to become a purchaser at the foreclosure sale.

Section 5.12 Disputes as to Common Expenses; Adjustments. Any Owner who believes that the portion of Common Expenses chargeable to his Lot, for which an assessment lien has been filed by the Association, has been improperly charged against his or her Lot, may bring action in an appropriate court of law.

Section 5.13 Purchaser at Foreclosure Sale Subject to Declaration, Bylaws, Rules and Regulations of the Association. Any purchaser of a Lot at a foreclosure sale shall automatically become a Member of the Association and shall be subject to all the provisions of this Declaration, the Bylaws and the Rules and Regulations.

Section 5.14 Non-Liability of Foreclosure Sale Purchaser for Past Due Common Expenses. When the holder of a first mortgage or first deed of trust of record or other purchaser of a Lot acquires title to the Lot as a result of foreclosure of the first mortgage first deed of trust or by deed in lieu of foreclosure, such acquirer of title, his, her or its successors and assigns, shall not be solely liable for the share of the Common Expenses or other Assessments by the Association chargeable to such Lot which became due prior to the acquisition of title to the Lot by such acquirer, other than Assessments for which a claim of lien has been docketed with the Harnett County clerk of superior court prior to the recordation of the lien being foreclosed. Such unpaid share of Common Expenses or Assessments shall be deemed to be Common Expenses collectible from all of the Lots, including that of such acquirer, his, her or its successors or assigns. This provision shall not relieve the party acquiring title or any subsequent Owner of the subject Lot from paying future Assessments.

Section 5.15 Liability for Assessments Upon Voluntary Conveyance. In a voluntary conveyance of a Lot, any grantee or his or her first mortgagee shall inform the Board of Directors in writing of such contemplated conveyance and such grantee or first mortgagee shall be entitled to a statement from the Board of Directors of the Association setting forth the

amount of all unpaid Assessments (including current Assessments) against the grantor due the Association. Neither the grantee nor the mortgagee shall be personally obligated for any delinquent Assessments, but such delinquent Assessments, along with interest, late charges, costs and reasonable attorneys fees shall be a lien against the Lot in accordance with Section 5.10 and Section 5.11 herein.

Section 5.16      Late Charge. The Association may impose a charge against any Lot Owner who fails to pay any amount assessed by the Association against his Lot within ten (10) days after such Assessments are due and payable and who fails to exercise his rights under this Declaration or under the laws of the State of North Carolina to successfully contest such Assessment. The amount of the late charge shall be the greater of (a) twenty and 00/100 Dollars (\$20.00), or (b) twenty percent (20%) of the delinquent amount, or such other amount as may be determined by the Association from time to time. Additionally, if a Lot Owner shall be in Default in payment of an installment upon an assessment or of a single monthly assessment, the Association has the right to accelerate all monthly Assessments remaining due in the current fiscal year. The total of such Assessments, together with the delinquent Assessments shall then be due and payable by the Lot Owner no later than ten (10) days after the delivery of written notice of such acceleration to the Lot Owner or twenty (20) days after mailing of such notice to him by certified mail, whichever occurs first. If such acceleration amount is not paid by the due date, the above-described late charge may be imposed on the part of such accelerated amount not paid by the due date.

Section 5.17      Miscellaneous.

5.17.1      The Association may change the interest rate due on delinquent Assessments (including any late charges), except that the rate cannot be changed more often than once every six (6) months. As of its effective date, the new interest rate will apply to all Assessments then delinquent.

5.17.2      The Owner has the sole responsibility of keeping the Association informed of the Owner's current address if different from the Lot owned. Otherwise notice sent by Association to the Lot is sufficient for any notice requirement under this Declaration.

5.17.3      The lien under this Article V arises automatically, and no notice of lien need be recorded to make the lien effective.

5.17.4      The Assessment lien includes all collection costs, including demand letters, preparation of documents, reasonable attorneys' fees, court costs, filing fees, collection fees, and any other expenses incurred by the Association in enforcing or collecting the Assessment.

5.17.5      Any Assessment otherwise payable in installments shall become immediately due and payable in full without notice upon Default in the payment of any installment. The acceleration shall be at the discretion of the Board.

5.17.6      No Owner of a Lot may exempt himself or herself from liability for his or her contribution toward the Common Expenses by waiver of the use or enjoyment of any of the Common Areas or by the abandonment of his or her Lot.

5.17.7 This Section 5.17 applies to every type of Assessment.

## ARTICLE VI

### EASEMENTS AND ENCUMBRANCES

Section 6.1 Easement for Encroachments. The Dwelling Units, all utility lines, and all other improvements as originally constructed by or on behalf of Declarant or its assigns shall have an easement to encroach upon any setback, Lot or Common Area as a result of the location of the building, utility lines and other improvements across boundary lines between and along Lots and/or the Common Areas, or as a result of building or improvement movement or alterations or additions from time to time, provided that such alterations or additions have complied with the requirements of this Declaration.

Section 6.2 Lot's Utility Easements. Easements are granted in favor of each Lot Owner to and throughout the Common Areas and, if necessary, the setback areas of any other Lots, as may be necessary for the installation, maintenance, repair and use of underground water, gas, sewer, power and other utilities and services including power and communication, now or hereafter existing, including maintaining, repairing and replacing any pipes, wires, ducts, conduits, equipment, fixtures, utility, power or communication lines or equipment, or other components. The foregoing notwithstanding, no Lot Owner (other than Declarant) may exercise the easement rights reserved in this Section 6.2 without the prior written approval of the Board as described in Section 6.6 below and the Declarant, so long as it owns a Lot in the Subdivision.

Section 6.3 Utility Easements. Easements are reserved and/or granted hereby in favor of the Declarant and/or the Association through each Lot (provided that such easements shall not materially and unreasonably interfere with the use of any dwelling located upon any Lot) and the Common Areas for the purpose of installing, laying, maintaining, repairing and replacing any pipes, wires, ducts, conduits, equipment, fixtures, utility, power or communication lines or equipment, or other components throughout the Common Areas. Without limiting any other provision in this Article 6, it is understood that Declarant's easement rights reserved herein may be utilized for the benefit of property within or outside of the Subdivision. Each Lot Owner and/or his respective mortgagee by acceptance of a deed conveying such ownership interest and each mortgagee encumbering such ownership interest, as the case may be, hereby irrevocably appoint Declarant, or the Association, as the case may be, as his attorney in fact, coupled with an interest, and authorize, direct and empower such attorney, at the option of the attorney, to execute, acknowledge and record for and in the name of such Lot Owner and his mortgagee, such easements or other instruments as may be necessary to effect the purpose of this Section 6.3. The easements may be assigned and/or granted by the Declarant and/or the Association to any utility or service company.

Section 6.4 General Easements. An easement is hereby reserved and/or granted in favor of the Declarant and/or the Association in, on, over and through the Common Areas, the Lots and/or Dwelling Units for the purposes of maintaining, cleaning, repairing, improving, regulating, operating, policing, replacing and otherwise dealing with the Common Areas, Lots and/or Dwelling Units, including all improvements thereon as required or permitted by the Constituent Documents or applicable law. An easement is hereby reserved in favor of Declarant

over the Common Areas for the purpose of advertising or promoting sales of Lots or Dwelling Units in the Subdivision.

Section 6.5 Access Easement. Appurtenant to each Lot is an easement over any Common Area for necessary pedestrian and vehicular ingress and egress to and from any such Lot over the Common Areas, to and from a thoroughfare. The easement shall be over such walkways, driveways, or other ways as are designated by the Declarant and/or the Association and shall be subject to the terms of the Constituent Documents.

Section 6.6 Use of Easement. Any use of the rights and easements granted and reserved in this Article VI shall be reasonable. If any damage, destruction, or disturbance occurs to a Lot or Common Area as a result of the use of any easement or right, the Lot or Common Area shall be restored by, or at the direction of, the Association promptly in a reasonable manner at the expense of the person or persons making the use of the easement or right that resulted in the damage, destruction or disturbance. Before beginning work, Association may require all or any part of the expected expense to be prepaid by that person or those persons liable for the expense. Additionally, should any Lot Owner other than Declarant elect to exercise its easement rights hereunder, it shall be required to obtain the Board's prior written approval (not to be unreasonably withheld), after providing the Board with detailed plans of its proposed work, as well as evidence of appropriate insurance and other such reasonable information or assurances as the Board may require. No easement may be granted across, through, over, or under any Lot or Common Area, which materially restricts ingress and egress to the Lot or Common Area, unless reasonable alternate ingress and egress is provided or unless the restrictions is only temporary. All easements reserved hereunder shall be perpetual and non-exclusive.

Section 6.7 Reservation of Access Easement by Declarant. Declarant reserves an easement for itself, its grantees, successor and assigns, to enter upon the Subdivision for access, including ingress and egress for both vehicles and pedestrians, to and from any public street, road, land, walkway or right-of-way. The easement shall be over the streets, sidewalks, bridges and other access ways of the Subdivision. Declarant further reserves the right to connect, at Declarant's expense, to any street, roadway, walkway or other means of access that are located on the Common Areas of the Subdivision. This reservation of access easements and the right of connection should be construed liberally in favor of the Declarant, in order to facilitate the development of all or any portion of Woodshire Subdivision, Phase 6.

Section 6.8 Reservation of Construction Easement by Declarant. The Declarant reserves the non-exclusive right and easement to temporarily go upon the Subdivision in order to complete the development of the Subdivision and the construction of the improvements to be located therein, and to develop other neighboring land. The easement should be construed broadly in favor of the Declarant, including giving Declarant the right to store temporarily construction materials, equipment or dirt. After the construction is finished, Declarant must, at Declarant's cost, repair any damage done to the Subdivision including to any landscaping. As soon as reasonably possible after Declaration has completed construction on the neighboring land, Declarant must remove all debris, equipment, materials and dirt from the Subdivision.

Section 6.9 Roadway Easement. Pursuant to the Roadway Declaration, Declarant has reserved for the benefit grants to all Lot Owners the non-exclusive right of ingress and egress on, over and across all public and private roadways (the "Roadways") located on or to be located on a portion of the Subdivision which private roadways extend between one or more publicly dedicated streets. Roadways (other than those (if any) that have been accepted by applicable

governmental authorities for maintenance, constitute Common Areas and shall be maintained, insured, and repaired by the Association in accordance with this Declaration and the Roadway Declaration. The Declarant hereby reserves the right (but not the obligation), in its sole discretion, to annex additional Roadways into the Subdivision. Notwithstanding the foregoing to the contrary, no part of the Roadway shall be dedicated or transferred to a unit of local government without acceptance of the unit of local government involved.

Section 6.10 Declarant's Easements: General. The easements and grants reserved for and granted to the Declarant also benefit and bind any heirs, successors and assigns of Declarant and their respective guests, invitees or lessees, including, without limitation, assignees of Declarant who do not own property within Woodshire Subdivision, Phase 6.

Section 6.11 Easements to Run with Land. All easements and rights described in this Article VI are easements appurtenant, running with the land, perpetually in full force and effect, and at all times shall inure to the benefit of and be binding on the Declarant, its successors and assigns, and any Owner, purchaser, mortgagee, and other person or entity now or hereafter having an interest in the Subdivision, or any part or portion of it.

Section 6.12 Reference to Easements and Deeds. Reference in the respective deeds of conveyance or any mortgage or trust deed or other evidence of obligation, to the easements and rights described in this Declaration, shall be sufficient to create and reserve such easements and rights to the respective grantees, mortgagees and trustees in said instruments as fully and completely as those such easements and rights were recited fully and set forth in their entirety in such instruments.

## ARTICLE VII

### INSURANCE

Section 7.1 General Insurance. In addition to such insurance as is required to be maintained by the Association pursuant to the Roadway Declaration, the Association shall carry a master policy of fire and extended coverage, vandalism, malicious mischief and liability insurance, and if required by law, workmen's compensation insurance with respect to the Subdivision and the Association's administration thereof in accordance with the following provisions:

7.1.1 The Association shall purchase a master policy for the benefit of the Association, the Lot Owners and their mortgagees as their interest may appear, subject to the provisions of this Declaration and the Bylaws. The "master policy" may be made up of several different policies purchased from different agencies and issued by different companies.

7.1.2 All Common Areas now or at any time hereafter constituting a part of the Subdivision shall be insured against fire and other perils covered by a standard extended coverage endorsement, in an amount not less than one hundred (100%) percent of the replacement value thereof, with a deductible agreed to by the Board of Directors, exclusive of the cost of the land, foundations, footings, excavation, and architect's fees, without deduction for depreciation. The policy shall have cost of demolition, water damage (excluding floods, backing up of sewers and drains, the running off of surface

water, and the overflow of a body of water), and agreed amount endorsements and a deductible on any single loss or group of losses within one year in such amounts as shall be found reasonable by the Board of Directors, after carefully considering and comparing the increased premium costs resulting from a low deductible with the lower premium costs but higher per loss risk resulting from a high deductible, together with all other pertinent factors. The policy providing such coverage shall provide that no mortgagee shall have any right to apply the proceeds thereof to the reduction of any mortgage debt. Such policy shall provide coverage for built-in fixtures and equipment in an amount not less than one hundred percent (100%) of the replacement cost thereof (subject to the deductible provisions described above) and shall also provide that the insurer shall have no right to contribution from any insurance which may be purchased by any Lot Owner as hereinafter permitted. Such policy shall also contain either a waiver by the insurer of any increased hazard clause, a severability of interest endorsement, or a provision stating that the coverage will not be affected by the act, omission or neglect of any person unless such act, omission or neglect is within the knowledge and control of the Association prior to the occurrence of the loss. Such policy shall not provide coverage for any items of personal property owned by any Lot Owner.

7.1.3 Such master policy of insurance shall contain provisions requiring the issuance of certificates of coverage and the issuance of written notice to the Association and to any mortgagee or mortgagees of any Lot Owner not less than thirty (30) days prior to any expiration, substantial modification or cancellation of such coverage.

7.1.4 Such insurance by the Association shall not prevent an Owner of a Lot to obtain insurance on its own property, but no Lot Owner may at any time purchase individual policies of insurance covering any item which the Association is required to insure. If any Lot Owner does purchase such a policy, he or she shall be liable to the Association for any damages, expenses or losses which it suffers or incurs as a result thereof, and the Association shall have the same lien rights provided by Article V hereof for Common Expense payments with respect to any such damages, expenses or losses not paid to it by such Owner.

7.1.5 The Board of Directors shall review the insurance coverage required under this Section 7.1 at least annually, and if any of such insurance coverage becomes impossible or impractical to obtain, the Association shall obtain coverage that most closely approximates the required coverage with the deductible provisions as determined by the Board of Directors. In any event, all such insurance must comply, at a minimum, with the applicable requirements set forth in the North Carolina Planned Community Act.

7.1.6 If the required insurance coverage under this Section 7.1 ceases to exist for any reason whatsoever, any mortgagee of any portion of the Subdivision may remedy that lack of insurance by purchasing policies to supply that insurance coverage. The funds so advanced shall be deemed to have been loaned to the Association; shall bear interest at a per annum rate two percent (2%) higher than the basic interest rate in any note secured by the mortgagee's mortgage against a portion of the Subdivision; and shall be due and payable to the mortgagee by the Association immediately. The repayment of this obligation shall be secured by a Special Assessment against all Lot Owners under

Article V of this Declaration and shall not require a vote of the Members of the Association, anything to the contrary in this Declaration notwithstanding.

7.1.7 The Association shall also maintain liability insurance in reasonable amounts, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the Common Areas. The Association shall try to have its liability insurance contain cross-liability endorsements or appropriate provisions to cover liability of the Lot Owners, individually and as a group (arising out of their ownership interest in the Common Areas), to another Lot Owner.

Section 7.2 Fidelity Insurance. The Association must have fidelity coverage against dishonest acts on the part of Officers and employees, Members of the Association, members of the Board, trustees, employees or volunteers responsible for the handling of funds collected and held for the benefit of the Lot Owners. The fidelity bond or insurance must name the Association as the named insured and shall be written in an amount sufficient to provide protection which is in no event less than the insured's total Regular Assessment, plus all accumulated reserves and all other funds held by the Association either in its own name or for the benefit of the Lot Owners.

Section 7.3 Directors' and Officers' Errors and Omissions Insurance. The Association shall purchase insurance to protect itself and to indemnify any Director or Officer, past or present against expenses actually and reasonably incurred by him/her in connection with the defense of any action, suit or proceeding, civil or criminal, in which he is made a party by reason of being or having been such Director or Officer, except in relation to matters as to which he shall be adjudged in such action, suit or proceeding to be liable for negligence or misconduct in the performance of duty to the Association; or to obtain such fuller protection and indemnification for Directors and Officers as the law of North Carolina permits. The policy or policies shall be in an amount to be reasonably determined by the Association.

Section 7.4 Premiums. All premiums upon insurance purchased by the Association shall be Common Expenses. Notwithstanding the foregoing, the Lot Owners may be responsible for certain deductibles to the insurance policies purchased by the Association as outlined in Section 7.1 and Section 7.7 herein.

Section 7.5 Proceeds. Proceeds of all insurance policies owned by the Association shall be received by the Association for the use of the Lot Owners and their mortgagees as their interest may appear; provided, however, the proceeds of any insurance received by the Association because of property damage shall be applied to repair and reconstruction of the damaged property, except as may otherwise be permitted by this Declaration.

Section 7.6 Power of Attorney. Each Lot Owner shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act in connection with all matters concerning the maintenance of the master policy or any other insurance policy obtained by the Association. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit the premiums therefor, to collect proceeds and to distribute the same to the Association, the Lot Owners and their respective mortgagees as their interest may appear, to execute releases of liability and to execute all documents and to do all things on behalf of such Lot Owners and the Subdivision as shall be necessary or convenient to the accomplishment of

the foregoing; and any insurer may deal exclusively with the Association in regard to such matters.

Section 7.7 Responsibility of Lot Owner. The Association shall not be responsible for procurement or maintenance of any insurance covering any Lot or Dwelling Unit, or the contents of and Lot or Dwelling Unit nor the liability of any Lot Owner for injuries not caused by or connected with the Association's operation, maintenance or use of the Common Areas or other property located in the Subdivision. Each Lot Owner shall, at his or her own expense, obtain public liability insurance for personal injuries or damage arising out of the use and occupancy of or occurring within his Lot or Dwelling Unit. In addition, each Lot Owner shall maintain fire and extended coverage insurance on his Dwelling Unit, and the contents of his Dwelling Unit. The Association may request the Lot Owner to provide a copy of the policy(s) to the Association evidencing this insurance coverage at any time.

Each Lot Owner agrees that if any Owner(s) damages a building or other improvements now or at any time hereafter constituting a part of the Common Areas of the Subdivision which is covered under the Association's insurance policy, the Owner or Owners causing such damage shall be responsible for paying the lesser of: (a) the insurance deductible due under the Association's insurance policy; or (b) the cost to repair and/or replace any damage to a building or other improvements, which amount shall be due within ten (10) days after the delivery of written notice of such deductible due or replacement/repair costs by the responsible Lot Owner(s) or twenty (20) days after mailing of such notice by certified mail, whichever occurs first. In the event a Lot Owner refuses or fails to pay the insurance deductible or replacement/repair costs in the time period provided in the preceding sentence, the amount thereof may be advanced by the Association and the amount so advanced by the Association shall be assessed to such Owner as an Individual Assessment, which shall be due and payable following seven (7) days written notice.

Section 7.8 Release. All policies purchased under this Article VII by either the Association or the individual Lot Owners shall provide for the release by the issuer, thereof, of any and all rights of subrogation or assignment and all causes and rights of recovery against any Lot Owners, member of their family, their employees, their tenants, servants, agents and guests, the Association, any employee of the Association, the Board, or any occupant of a Dwelling Unit in the Subdivision, for recovery against any one of them for any loss occurring to the insured property resulting from any of the perils insured against under the insurance policy.

Section 7.9 Approximate Coverage. If any of the required insurance coverage under this Article VII becomes or is impossible to obtain or can be obtained only at an unreasonable cost, the Association shall obtain coverage which most closely approximates the required coverage, if such substitute insurance is available.

Section 7.10 Additional Policy Requirements. All such insurance coverage obtained by the Association shall be written in the name of the Association, for the use and benefit of the Association, the Lot Owners and their mortgagees, as further identified below. Such insurance shall be governed by the provisions hereinafter set forth:

7.10.1 Exclusive authority to adjust losses under policies in force on the Subdivision obtained by the Association shall be vested in the Association provided,

however, that no mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

7.10.2 In no event shall the insurance coverage obtained by the Association hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their mortgagees, and the insurance carried by the Association shall be primary.

7.10.3 All casualty insurance policies shall have an agreed amount endorsement with an annual review by one or more qualified persons.

7.10.4 The Association shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

7.10.4.1 a waiver of subrogation as discussed in Section 7.8;

7.10.4.2 that no policy may be canceled, invalidated, or suspended on account of the acts of any one or more individual Owners;

7.10.4.3 that no policy may be canceled, invalidated or suspended on account of the conduct of any Director, officer or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, any Owner or mortgagee; and

7.10.4.4 that any "other insurance" clause in any policy exclude individual Owner's policies from consideration.

8.3.3            In case of ambiguity or omission, the Board may interpret the Declaration and the other Constituent Documents, and the Board's interpretation shall be final if made without malice or fraud. Section 9.15 Gas Tanks. No gas tanks are to be visible from the street. All such tanks are to be disguised by fencing or landscaping.

Section 9.16 Maintenance of Lot. No trash, garbage, rubbish, debris, waste material or other refuse shall be deposited or allowed to accumulate or remain on any part of said Properties, or upon any land or lands contiguous thereto. No fires for burning of trash, leaves, clippings, or other debris or refuse shall be permitted on any part of said land without the required permits issued by the appropriate authority. All waste containers are to be positioned behind the home at all times, other than the collection day.

All lawns on Lots shall be reasonably cared for. If any lawn remains in an un-mowed or uncared-for condition, the Developer shall have the right to have the yard mowed and trimmed. This shall be done at the expense of the Lot owner at not less than \$100.00.

Effective from the date of the execution of this Declaration, and continuing until the NCDOT Division of Highways adds the streets that serve the Lots to the State Highway System for maintenance, each Owner shall be required to maintain and care for the property lying between the front line of his Lot and the edge of the paved street in accordance with said standards. This shall include, but not be limited to, repair work caused by vehicular traffic, construction of a dwelling on the Lot, erosion, etc., and mowing as part of the Lot Owner's lawn. In like manner the Owner shall maintain and care for any drainage easement on his property. If the aforementioned property remains in an un-mowed or uncared-for condition, such that it is not in compliance with said NCDOT standards, the Developer shall have the right to have the property mowed and/or maintained to bring it into compliance. This shall be done solely at the expense of the Owner at an amount equal to the actual costs of corrective actions plus ten percent (10%).

Section 9.17 Window A/Cs and Thru-the Wall Heat Furnace. No window A/Cs or thru-the-wall heat pumps shall be allowed in the front or side sections of the home so as to be visible from the street.

Section 9.18 Architectural Control Committee. No residence or other building, and no fence, wall, utility yard, driveway, swimming pool or other structure or improvement, regardless of size or purpose, whether attached to or detached from the main residence, shall be commenced, placed, erected or allowed to remain on any Lot, nor shall any addition to or exterior change or alteration thereto be made, unless and until building plans and specifications covering the same, showing the nature, kind, shape, height, size, materials, floor plans, exterior color schemes with paint samples, location and orientation on the building plot and approximate square footage, construction schedule, onsite sewage and water facilities, and such other information as the Developer shall require, including, if so required, plans for the grading and landscaping of the building plot showing any changes proposed to be made in the elevation of surface contours of the land, have been submitted to and approved in writing by the Developer, or the Architectural Control Committee, as hereinafter defined, and until a copy of all such plans and specifications, as finally approved by the Developer, have been lodged permanently with the Developer. The Developer, or the Architectural Control Committee consisting of any two of the corporate officers of Developer, or other such members as appointed by Developer, shall have the absolute and exclusive right to refuse to approve any such building plans and specifications and lot-grading and landscaping plans which are not suitable or desirable in its opinion for any reason, including purely aesthetic reasons connected with future development plans of the Developer of said Properties or contiguous lands. In passing upon such building plans and specifications and lot-grading and landscaping plans, the Developer may take into consideration the suitability and desirability of the proposed constructions and of the materials of which

the same are proposed to erect the same, the quality of the proposed workmanship and materials, the harmony of external design with the surrounding neighborhood and existing structures therein, and the effect and appearance of such constructions as viewed from neighboring properties. In the event the Developer fails to approve or disapprove such building plans and specifications with thirty (30) days after the same have been submitted to it as required above, or the foundation of the building has been completed and approved by the local building inspection department, the approval of the Developer shall be presumed and the provisions of this paragraph shall be deemed to have been complied with. However, no residence or other building, structure or improvement which violates any of the covenants and restrictions herein contained or which is not in harmony with the surrounding neighborhood and the existing structures therein shall be erected or allowed to remain on any part of a Lot.

This Section 10 shall expire once the Developer (or any of its builder affiliates) no longer owns a Lot within Woodshire Subdivision or any adjacent subdivision.

#### Section 10.1      Enforcement.

10.1.1      The Association or any Lot Owner may enforce these covenants, conditions and restrictions. Enforcement of these covenants, conditions and restrictions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate ("Violating Party") any covenant, condition or restriction, either to restrain or enjoin violation or to recover damages, and against the land to enforce any lien created by these covenants. In addition to all other amounts due on account of said violation or attempted violation, the Violating Party shall be liable to the parties enforcing the covenants and/or restrictions of this Declaration (the "Enforcing Parties") for all reasonable attorney's fees and court costs incurred by the Enforcing Parties. Failure or forbearance by the Association or any Owner to enforce any covenant, condition or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. In any lawsuit filed to enforce this Declaration by injunction or restraint, there shall be and there is hereby created and declared to be a conclusive presumption that any violation or breach or any attempted violation or breach of any of the within covenants, conditions or restrictions cannot be adequately remedied by action at law or by recovery of damages.

10.1.2      In addition to all other remedies of the Association, the Association shall have the right to assess a maximum fine of \$150.00 per day (or such higher amount as may be allowed by law) per violation against any Owner who violates any provision of this Declaration or the Articles, Bylaws or Rules and Regulations of the Association after such Owner has been given notice of the violation and an opportunity to be heard with respect to the violation in accordance with such policies and procedures as may be adopted from time to time by the Board of Directors or as may be set forth in the Bylaws.

10.1.3      In addition to the above rights, the Association may also enter upon a Lot or any land upon which a violation exists to remove any violation, perform maintenance or make repairs thereon which is the responsibility of a Lot Owner who has failed to remove said violation or to perform such maintenance or make such repairs (i)

after having given such owner at least ten (10) days prior notice, or (ii) without giving notice in the event of an emergency.

Any action brought by the Association hereunder may be brought in its own name, in the name of its Board or in the name of its managing agent. In any case of flagrant or repeated violation by a Lot Owner, he or she may be required by the Association to give sufficient surety or sureties for his or her future compliance with the covenants, conditions and restrictions contained in this Declaration, the Bylaws and the Rules and Regulations.

Section 10.2 Severability. Invalidation of any one of these covenants, conditions or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 10.3 Restrictions Run With Land. The easements or other permanent rights or interests are herein created, the covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Association, or the Owner of any Dwelling Unit subject to this Declaration, their respective legal representatives, heirs, successors, and assigns.

Section 10.4 Amendment. The Association (the Declarant controlling the Association until the expiration of the Development Period) may amend this Declaration at any time, as long as consistent with the design, scheme and purposes of this Declaration, by the affirmative vote or written agreement of the Owners to whom not less than seventy-five percent (75%) of all of the votes in the Association are allocated in accordance with Section 4.4 and Section 4.5 above. Any amendment must be recorded in the Harnett County Register of Deeds. Following the end of the Development Period, no such agreement to amend, in whole or in part, shall be effective unless written notice of the proposed amendment is sent to every Member at least thirty (30) days in advance of any action taken, and no such amendment shall be effective with respect to any permanent easements or other permanent rights or interests relating to the Common Areas herein created (unless such amendment is consented to in writing by Declarant and all other beneficiaries of such permanent easements, rights of interests).

Section 10.5 Reservation of Special Declarant Rights. Declarant reserves the right to maintain sales and management offices, model units, construction trailers, storage or staging areas, and advertising signs upon Lots or the Common Areas and upon Lots owned by it until the expiration of the Development Period and to exercise all other "Special Declarant Rights" as defined in the Planned Community Act. Without limiting the foregoing, and notwithstanding anything herein to the contrary, during the Development Period, Declarant shall have the right to annex additional Lots or Common Areas into the Subdivision by filing a supplement to this Declaration in the Harnett County Public Registry together with an amendment to the Plat (if applicable). Such additional Lots or Common Areas need not be contiguous to the Property. Declarant shall have the right to assign all or a portion of any rights or easements reserved herein by a written assignment thereof, recorded in the Harnett County Public Registry.

Section 10.6 Management and Service Contracts. Any agreement for the professional management of the Subdivision of the Common Areas may not exceed three (3) years and shall provide for termination by either party without cause and without payment of a termination fee upon reasonable notice.

Section 10.7 Binding Determination. In the event of any dispute or disagreement with or between any Owner(s) relating to, or of any other disputes, disagreements or questions regarding, the interpretation or application of the provisions of this Declaration or the Articles or Bylaws of the Association, the determination thereof (i) by Declarant for so long as Declarant retains control of the Association; and (ii) thereafter by the Board of Directors of the Association shall be final and binding on each and all such Owners; providing that any determination which directly or indirectly affects Declarant shall require Declarant's prior consent to become binding upon Declarant.

Section 10.8 Captions and Titles. All captions, titles or headings in this Declaration are for the purpose of reference and convenience only and are not deemed to limit, modify or otherwise affect any of the provisions hereof, or to be used in determining the intent or context thereof.

Section 10.9 Notices. Except as otherwise provided in this Declaration, any notice to any Owner under this Declaration shall be in writing, shall be effective on the earlier of (i) the date when received by such Owner, or (ii) the date which is three days after mailing (postage prepaid) to the last address of such Owner set forth in the books of the Association. The address of an Owner shall be at his Lot (or any of them if more than one) unless otherwise specified in writing to the Association. The Articles and Bylaws shall specify the permissible manner of giving notice for voting and all other Association matters for which the manner of giving notice is not prescribed in this Declaration.

Section 10.10 Governing Law. Section 11.6 Insurance Proceeds and Condemnation Awards. No provision of this Declaration or any other document or instrument affecting the title to the Property, Common Areas, any Lot or the organization or operation of the Association shall give an Owner or any other party priority over any rights of first mortgagees of Lots within the Subdivision pursuant to their mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for losses to or taking of Common Areas.
