No building site preparation (including, but not limited to grading, elevation work, or sloping) or initial construction, erection or installation of any improvements, including but not limited to, buildings, fences, signs, walls, bulkheads, screens, equipment, or other structures shall be commenced, erected, placed, altered or maintained upon any Lot, until the plans and specifications showing the nature, kind, shape, height, materials, exterior colors, siding, location and elevations of the proposed improvements shall have been submitted to, and approved in writing by, as to harmony of external design and location in relation to surrounding structures and topography, an Architectural Committee composed of three (3) persons appointed by the Declarant. In the event the Architectural Committee fails to approve such submission made by any owner of a Lot ("Lot Owner" or "Member") within thirty (30) days after said plans and specifications have been received by the Committee, approval will be deemed to have been denied. Any plans and specifications that contain inaccurate or missing data or information when submitted shall not be deemed to be approved notwithstanding any prior approval by the Committee.

Upon request, the Architectural Committee shall provide any owner with a letter stating that any such work, plans and specifications have been approved, and the letter may be relied upon by third parties.

Approval or disapproval by the Architectural Committee of such plans, location or specifications may be based upon any grounds, including purely aesthetic and environmental, which in the sole discretion of the Committee, it shall deem sufficient. Neither the Declarant nor the Architectural Committee shall be responsible for any defects in the plans and specifications submitted to it or in any structure erected or improvements made on any Lot.

The Declarant, Architectural Committee, or their appointed agents, shall have the right, at their election, but shall not be so required, to enter upon any of the Lots during site preparation or construction, erection, or installation of improvements to inspect the work being undertaken and to determine that such work is being performed in conformity with the approved plans and specifications.

The Architectural Committee shall have the power to grant, and may allow, variances of, and adjustments of, the restrictions established herein in order to overcome practical difficulties and prevent unnecessary hardships in application of the restrictions contained herein; provided, however, that variances or adjustments are done in conformity with the intent and purposes hereof; and, provided also, that in every instance such variance or adjustment will not be materially detrimental or injurious to other Lots in the immediate neighborhood. Variances and adjustments may be of the height, size, and setback requirements, but shall not be limited thereto. No variance shall be permitted if it violates governmental minimum standards.

In the event of the grant of any variance in the restrictions established herein, the Declarant on behalf of the Architectural Committee shall execute a document acceptable in substance to the Declarant attesting to such grant and the specific nature thereof in form suitable for recording, so that the Lot Owner may record the document in the Registry of the County in which the Lot is located. Such document shall be prepared at the cost of the Lot Owner and shall be binding upon the Declarant, its successors and assigns, and other Lot Owners and may be relied upon by third parties to evidence the variance approval.

The Architectural Committee shall continue in existence until the earlier of (i) ten (10) years from the date of the filing of this Declaration or (ii) the date which is ten (10) months after sale of the last Lot by Declarant, such sale date to be the date a deed for such last Lot is recorded.

in the Harnett County Registry. The Architectural Committee may be reconstituted in the event that Lots are repurchased by the Declarant pursuant to Article III herein.

After discontinuance of the Architectural Committee (1) no further approvals need be obtained by any Lot Owner pursuant to this Article, and any Lot Owner thereafter shall improve its Lot as the Lot Owner deems appropriate, without such prior approval but no inconsistent with other Articles of this Declaration, and (2) any improvement located on any Lots shall be deemed approved by the Architectural Committee and any variance of any improvement from the building restrictions set forth herein shall be deemed approved by the Architectural Committee whether or not a document of variance approval has been recorded unless there shall be pending in Harnett County an action against any Lot Owner for enforcement of the provisions of this Declaration for failure to comply with the provisions of this Article or for having constructed an improvement which violates the building restrictions and a variance shall not have been given, and as to the Lot affected by the actions, the result of the action shall be determinative thereof.

Any purchaser of a lot or institution financing a lot shall rely on the foregoing statement.

ARTICLE II

THE ASSOCIATION

The Declarant shall create Tingen Pointe Homeowners Association, Inc. (the "Association") and the voting Members of the Association shall be the Lot Owners. The Association shall own and maintain the "Common Area" which shall mean all real property and any improvements constructed thereon including but not limited to private roads, playground and picnic area(s) and open space, if any, owned by the Association for the common use and enjoyment of the Owners or members of the Association, as may be designated on any subdivision map of the Property or by the Association. Common Area shall also include the access or pedestrian easements leading to the Common Area. The Common Area to be owned by the Association at the time of the conveyance of the first Lot is all of that Property other than the Lots. Declarant shall convey the Common Area to the Association free and clear of any liens prior to the conveyance of a Lot.

ARTICLE III

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Lot Owner for any Lot owned other than by the Declarant or its immediate grantee herein referred to as "Builder", by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay. (a) to the Association. (i) annual assessments or charges; (ii) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided; and (b) to the appropriate governmental taxing authority: (i) a pro rata share of ad valorem taxes levied against the Common Area; and (ii) a pro rata share of assessments for public improvements to or for the benefit of the Common Area if the Association shall default in the payment of either or both for a period of six (6) months. The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge

on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the Owner of such property at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments.

(a) The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Property and in particular for the acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Area, including but not limited to, the costs of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes assessed against the Common Area; the maintenance of water and sewer mains in and upon the Common Area; the maintenance of open spaces and streets which have not been accepted for dedication to a public authority, roadway medians and islands (including medians and islands located in dedicated rights-of-way within the Property), drives and parking areas within the Common Area; the procurement and maintenance of insurance in accordance with the By-Laws; the maintenance of dams and ponds or other bodies of water, if any, located within the Common Area; the maintenance of entrance ways, landscaping and lighting of Common Area, road medians and islands and entrance ways; the cost of operating, maintaining and repairing any street lights erected by the Association or the Declarant in the rights-of-way of streets (whether public or private) or in any other easement provided therefor within the Property; the payment of charges for garbage collection and municipal water and sewer services furnished to the Common Area; the employment of attorneys and other agents to represent the Association when necessary; the provision of adequate reserves for the replacement of capital improvements including, without limiting the generality of the foregoing, paving, and any other major expense for which the Association is responsible; and such other needs as may arise.

(b) The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Area and those other portions of the Property which the Association may be obligated to maintain. Such reserve fund is to be established out of regular assessments for common expense.

(c) All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the Property, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation and the By-Laws of the Association. As monies for any assessment are paid to the Association by any Owner, the same may be commingled with monies paid to the Association by the other Owners. Although all funds and common surplus, including other assets of the Association, and any increments thereto or profits derived therefrom shall be held for the benefit of the members of the Association, no member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his Lot. When any Owner

shall cease to be a member of the Association by reason of his divestment of ownership of his Lot, by whatever means, the Association shall not be required to account to such Owner for any share of the fund or assets of the Association, or which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the Property.

Section 3. Maximum Annual Assessment. Until December 31 of the year of the conveyance of the first Lot to a Lot Owner, the maximum annual assessment shall be \$20.00 per Lot.

(a) The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to a Lot Owner is made and for each calendar year thereafter shall be automatically increased each year by the greater of the amount of ten percent (10%) of the maximum annual assessment of the previous year or a percentage equal to the percentage increase reflected by the U.S. city average, Consumer Price Index-United States (published by the U.S. Bureau of Labor Statistics, Washington, D.C., or such other index as may succeed the Consumer Price Index, for the twelve month period ending immediately preceding July 1. In the event the Board of Directors of the Association, determines by majority vote, that the important and essential functions of the Association may be properly funded by an assessment less than the maximum regular annual assessment, the Association Board of Directors may vote to adjust the regular annual assessment less than the maximum amount, however, the Board of Directors may not reduce the assessments below those set out in this Section 3 without the written consent of the Declarant so long as Declarant owns any of the Properties, since the Declarant is engaged in the development of properties that are subject to the terms of this Declaration. Any reduction of the maximum annual assessment for any one or more years shall not affect the right the levy an annual assessment equal to the maximum annual assessment in subsequent years as though there had been no reduction in the annual assessment for any prior year. For example, if the Board desires to charge the maximum assessment for years 2000-2005, but votes not to charge the maximum amount for 2006-2008, the Association may charge a maximum annual assessment in 2009 based on an increase in the maximum assessment that would have been permitted in 2008 had the association chosen to charge the maximum assessment in the years 2006-2008.

(b) The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to a Lot Owner is made and for each calendar year thereafter may be increased without limit by a vote of the Members entitled to cast at least two-thirds (2/3) of the votes of each class of Members who are voting, in person or by proxy, at a meeting duly called for this purpose.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any calendar year, a special assessment for the purpose of defraying in whole or in part the costs of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of the Members entitled to cast at least two thirds (2/3) of the votes of each class

of Members who are voting, in person or by proxy, at a meeting duly called for this purpose. All special assessments shall be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 5. Notice And Quorum For Any Action Authorized Under Sections 3 And 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 of this Article shall be sent to all Members not less than fifteen (15) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting

Section 6. Rate of Annual Assessment. Both annual and special assessments shall be fixed at a uniform rate for Lots.

Section 7. Date and Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to a Lot on the date of closing for the conveyance of the Lot from the Builder to the Lot Owner. There shall be no assessments, annual or otherwise, on any Lots owned by the Declarant or Builder. The first annual assessment shall be adjusted according to the number of days remaining in the calendar year. At least thirty (30) days in advance of each annual assessment period, the Board of Directors shall establish an annual budget and determine whether the annual assessments for the following year shall be less than the maximum regular annual assessment as provided in Section 3 of this Article IV. In the event the Board of Directors does not determine that the annual assessments shall be reduced, then the annual assessments shall be as provided in Section 3, Article IV. Upon adoption by the Board of the budget and annual assessments amount, the Board shall deliver copies of same to every Owner subject there to, provided, however, that failure to deliver a copy of the budget and annual assessments amount shall not affect the liability of Owners for assessments. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien created herein against the property in the same manner as prescribed by the laws of the State of North Carolina for the foreclosures of Deeds of Trust, and interest, costs and reasonable attorney's fees for representation of the Association in such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessment provided for herein by nonuse of the Common Area or abandonment of his Lot nor shall damage to or destruction of any improvements on any Lot by fire or other casualty result in any abatement or diminution of the assessments provided for herein.

Section 9. Effect of Default in Payment of Ad Valorem Taxes or Assessments for Public Improvements by Association. Upon default by the Association in the payment to the governmental authority entitled thereto of any ad valorem taxes levied against the Common Area or assessments for public improvements to the Common Area, which default shall continue for a period of six (6) months, each Owner of a Lot in the development shall become personally obligated to pay to the taxing or assessing governmental authority a portion of such unpaid taxes or assessments in an amount determined by dividing the total taxes and/or assessments due the governmental authority by the total number of Lots in the development. If such sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, then such sum shall become a continuing lien on the Lot of the then Owner, his heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or may elect to foreclose the lien against the Lot of the Owner.

Section 10. Subordination of the lien to mortgages. The liens provided for herein shall be subordinate to the lien of any first mortgage or deed of trust. Sale or transfer of any Lot shall not affect the assessment lien or liens provided for in the preceding section. However, the sale or transfer of any Lot which is subject to any such first mortgage or deed of trust, pursuant to a foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to the payment thereof which become due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage or deed of trust

Section 11. Exempt Property. All property dedicated to, and accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments

(c) the right of the Association to impose regulations for the use and enjoyment of the Common Area and improvements thereon, which regulations may further restrict the use of the Common Area ;

Section 2. Utility Easements. Some or all of the Lots shall be subject to such easements for water lines, sanitary sewers, storm drainage, gas lines, telephone and electric power line and other public utilities as shall be established by the Declarant or by his predecessors in title, prior to the subjecting of the Property to this Declaration.

Section 3. Easement for the Benefit of Governmental Authorities. An easement is hereby established for the benefit of any governmental authority having jurisdiction over the Property, or other governmental agency, over all the Lots for the setting, removing and reading of water meters (which shall be separate for each Lot), maintaining and replacing water, sewage and

All conveyances of any portion of the Property shall be subject to these limitations on the governmental authorities' responsibilities.

Section 4. Recorded Easements. There are hereby reserved easements as shown on the recorded map or maps of the subdivision. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities and drainage facilities, or which may change the direction of flow or drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. Section 6. Priority of Easements. Each of the easements hereinabove referred to shall be deemed to be established upon the recordation of this Declaration and shall henceforth be deemed to be covenants running with the land for the use and benefit of the Lots, superior to all other encumbrances which may hereafter be applied against or in favor of the Property or any portion thereof.

ARTICLE VII

This covenant is intended to ensure continued compliance with the mitigation condition of a Clean Water Act authorization issued by the United States of America, U.S. Army Corps of Engineers, Wilmington District, Action ID, and therefore may be enforced by the United States of America. This covenant is to run with the land, and shall be binding on Declarant, and all parties claiming under it.

ARTICLE XI

TERM

The covenants and restrictions of this Declaration shall run with and bind the land, for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years, unless by vote of a majority of the then owners of the Lots (exclusive of any mortgage holder or trustee under a deed of trust), it is agreed to modify this Declaration in whole or in part, or to terminate it. Such modification or termination shall not be effective until the recording of a document of modification or termination in the Office of the Harnett County Register of Deeds. Notwithstanding the foregoing, the restriction set forth in Article X cannot be amended, modified or terminated without the express written consent of the U.S. Army Corps of Engineers, Wilmington District.

ARTICLE XII

RIGHT OF FIRST REFUSAL

If a lot purchaser ("Initial Lot Purchaser") from Declarant receives a bona fide offer to purchase an unimproved Lot that Initial Lot Purchaser desires to accept ("Offer"), Initial Lot Purchaser shall provide Declarant a copy of the Offer and thereafter Declarant shall have not less

than seven (7) days after receipt of the Offer to sign a contract with Initial Lot Purchaser on terms identical to those set forth in the Offer ("Contract"). If Declarant chooses not to sign the Contract with Initial Lot Purchaser, Initial Lot Purchaser may enter a contract with the third party containing the identical terms of the Offer and upon entry into such contract, this Right of First Refusal shall terminate with respect to said unimproved Lot. This Right of First Refusal shall terminate with respect to all Lots ten (10) years from the date of this Declaration.

ARTICLE XIII

DECLARANT AMENDMENTS

This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration, (c) if such amendment is required by an institutional or governmental lender or purchaser of Mortgage loans, including, for example, the Federal National Mortgage Association (FNMA), Federal Home Loan Mortgage Corporation (FHLMC), Federal Housing Administration (FHA), or Veterans Administration (VA), to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure or guarantee Mortgage loans on the Lots subject to this Declaration; provided, however, any such amendment shall not materially adversely affect the title to any Owner's Lot unless any such Lot Owner shall consent thereto in writing.

IN WITNESS WHEREOF, the undersigned, being the Declarant herein, has hereunto set its hand.
