The Declarant reserves the right to prohibit the Owner's builder and/or general contractor from going to or upon the site in the event it is determined that failure to comply with approved plans is intentional or due to gross negligence under the above-mentioned circumstances. The Owner hereby agrees that the exercise of these rights shall not constitute a denial of Owner's property rights and shall not give rise to a cause of action for damages by the Owner.

Section 14. Repairs. Any building or other improvement on the Property that is destroyed partially or totally by fire, storm or any other means shall be repaired or demolished within a reasonable period of time, and the land restored to an orderly and attractive condition. If Owner fails to commence to repair or demolish and remove same within 30 days after notice from the Review Board, the Association or the Declarant and fails to diligently continue, the Association may do so at the Owner's expense.

Section 15. Remedies. If the finished dwelling, garage, accessory building or other structure does not comply with the submitted and approved plans and specifications, the Review Board retains the right to make the necessary changes at owner's expense to comply with the approved plans and specifications, the right to treat such charge or cost as an assessment, the right to file under the North Carolina lien laws a notice of lien for any costs incurred, and the further right to resort to all remedies provided under the laws of North Carolina for the recovery of such costs and the expenses of collection including without limitation, reasonable attorneys' fees. Any changes in plans or specifications must first be reapproved by the Committee in accordance with the procedure herein specified for architectural control.

## Article II Use Restrictions

Section 1. Residential Use. All Lots or parcels of land shall be used for residential purposes exclusively. No structure or structures shall be erected, altered, placed or permitted to remain on any residential parcel other than as provided in these Covenants and restrictions.

"Residential," referring to a mode of occupancy, is used in contradistinction to "business" or "commerce" or "mercantile" activity and, except where otherwise expressly provided, "residential" shall apply to temporary as well as permanent uses, and shall apply to vacant land as well as to buildings constructed thereon. No Lot or dwelling restricted to "residential" purposes may be used as means of service to business establishments on Lots, including but not limited to supplementary facilities or an intentional passageway or entrance into a business. Use for single household residential purposes shall mean and refer to use as a place of long-term dwelling or residence, and shall also include use for seasonal lodging. No group homes or private in-home daycare facilities are allowed. The restriction to use for "residential" purposes is subject to the following qualifications:

(a) Unless further restricted in the deed or other document, the use of a portion of a dwelling as an office shall be considered as a residential use if such use does not create a significant increase in customer or client traffic to and from the dwelling, if no sign, symbol, logo or nameplate identifying a business or professional office is affixed to or about the grounds or the entrance to the dwelling, if the office is only incidentally used for business or professional purposes, and if the Declarant or Association, after responding to a complaint by a neighboring Property Owner, has not expressly requested that the subject dwelling not be used in whole or in part as an office.

(b) The use of a dwelling as a model or for sales or operational purposes shall be limited to those granted written temporary permission for such use by the Declarant in its sole discretion, and may be deemed a use for residential purposes for a maximum period of sixty (60) months after the building is newly constructed and is ready for occupancy, and use of said dwelling

as a model or for sales or operational purposes after said sixty (60) months period shall be prohibited. The Pool House, once constructed, may be used by Declarant as a temporary sales office.

(c) The use of the dwelling shall be limited to occupancy by people directly related by adoption, marriage, or blood in the first and second degree or four or less people who are not so related.

Section 2. Other Buildings and Vehicles. No mobile home, trailer, manufactured home, double wide or modular home, tent, barn, or other similar out-building, vehicle, or structure shall be placed on any Lot at any time, either temporarily or permanently, without prior approval from the Review Board and such approval shall normally be limited to temporary use of such structures reasonably essential to economical, orderly and efficient construction during the construction process only. No home trailers or residence trailer, manufactured home, double wide or modular home, may be permitted on the Lot, Tract or Parcel and no boats, boat trailers, campers, privately owned golf carts, motorcycles, motorbikes, recreational vehicles, trucks, or utility trailers may be maintained on the Property, without prior written approval of the Review Board. The term "truck" as used herein is intended to refer to those vehicles of various sizes and designs for transporting goods, moving heavy articles or hauling quantities of cargo and which are used in a trade or business in which the truck is used because of its commercial capabilities and not merely as a means of transportation, or which displays identification on the exterior of the vehicle to a commercial enterprise. This is not intended to include such dual-purpose vehicles as station wagons, jeeps, "Scouts", "Wagoneer", "Bronco", "Blazer" or land rover type vehicles and sports trucks and trucks of one-half (1/2) ton or less or similar, attractive vehicles driven and maintained primarily as a means of transportation that do not have exposed signage or logo other than discreet identification approved by the Review Board and do not have exposed equipment or supplies. Storage of golf carts, motor cycles, RV's or other similar vehicles are allowed on the property as long as such vehicle is stored in a four-sided covered building, as approved by the Review Board.

It shall be the responsibility of each Owner and tenant thereof to prevent the accumulation of litter, trash, packing crates or rubbish or the development of any unclean, unsightly or unkept or unmaintained condition of buildings or grounds on his property either before, during or after construction, nor to permit accumulations which shall tend to substantially decrease the beauty of the community as a whole or the specific area. Each Owner after completion of the Dwelling and as required by notice from the Review Board shall keep the grass, weeds, plants and other vegetation on his Lot cut, free of leaves, and well trimmed at all times.

Any underground storage of any substance must have prior approval from the Review Board.

Any such receptacles may be installed only within an accessory building or within a screened area, or buried underground provided, however, that approval for such underground storage tank is obtained in advance from the Review Board. Approval by the Review Board does not signify that governmental approvals or permits have been obtained. Nothing contained herein shall prevent the Declarant or Association from erecting, placing or permitting the placing of tanks, or other apparatus, on the Property for uses related to the provision of utility or other service.

Section 8. Antennas. No television antenna, dish, radio receiver or sender or other similar device larger than eighteen (18) inches in diameter shall be installed upon a lot or attached to or installed on the exterior portion of any dwelling or other structure or property within the subdivision, nor radio, television signals, nor any other form of electromagnetic radiation shall be permitted to originate from any dwelling or Lot which may unreasonably interfere with the reception of television or radio signals upon any other of such properties, except as follows:

This provision may, however, be temporarily waived by the Declarant or Review Board during periods of severe energy shortages or other conditions where enforcement of this Section would create a hardship.

Section 12. Boats Prohibited. No boat, canoe or other water craft may be operated on any body of water other than as approved by the Review Board. No such boat, canoe or other water craft shall be beached or stored overnight or permanently on the shore of any lake or stream except in areas expressly approved by the Review Board. Moreover, the Review Board in its sole discretion may designate certain portions of lakes as off-limits to all types of water craft. Section 13. Vegetable Gardens. A vegetable garden will be permitted provided it is located to the rear of the house, is not visible from the street, and does not exceed the size of 300 square feet.

Section 14. Animals. In order to preserve the aesthetic qualities of the Common Properties, to maintain sanitary conditions on the Property, to prevent the spread of worms and infectious diseases on the Common Properties, and to maintain a proper respect for other Owners and users of the Common Properties each person who keeps a pet within a dwelling shall abide by the following restrictions, conditions, and affirmative obligations:

(i) No pets may be kept, bred, or maintained for any commercial purpose.

(ii) The Owner of such pet or pets, shall exercise best efforts to not allow the pets to

These regulations shall initially include but shall not be limited to those set out hereinafter and the Declarant reserves the right to adopt additional regulations or to modify previously promulgated regulations from time to time and to make such adoption or modification effective thirty (30) days after mailing notice of same to the record Owners of all Lots, dwellings, or parcels within the Property.

(a) No off-road motorcycles, off-road motorbikes or all-terrain vehicles of any kind may be operated on the roads and streets within the subdivision, unless they are street legal, are in compliance with all North Carolina vehicle licensing laws, are operated by licensed drivers and are not operated in a manner constituting a nuisance. No snow tires with exterior metal studs shall be used on any street or road at any time within the subdivision.

(b) The Declarant, or the Association, may post "no parking" signs along the streets and roadways within the subdivision where it, in its sole discretion, determines appropriate to do so. Violators of said "no parking" signs are subject to having their vehicles towed away and shall be required to pay the cost of such towing and storage before their vehicle may be recovered. The act of towing said vehicle shall not be deemed a trespass or a violation of the Owners' property rights, because the Owner shall be deemed to have consented to such action by accepting the right to use the roads and streets within the subdivision.

Section 16. Insurance. Nothing shall be kept, and no activity shall be conducted, on the Property which will increase the rate of insurance applicable to residential use for the Property or any Lots. No waste shall be committed on any portion of the Common property.

Section 17. Signs. No signs or ornaments shall be erected or maintained on the Property by anyone including, but not limited to, the Owner, a realtor, a contractor or subcontractor, or except with the written permission of the Review Board or except as may be required by legal proceedings.

Section 2. Tree Removal. No trees with a diameter of four inches or more, may be removed without the written approval of the Review Board. A tree location plan and location map of adjacent and nearby structures may be required as a part of the submission under Part Two, ARTICLE I, Section 13 and this ARTICLE III.

To implement effective and adequate erosion control and protect the beauty of the Property, the Declarant, its successors, assigns (including but not limited to the Association), and agents shall have the right to enter upon any property before or after a building or structure has been constructed thereon for the purpose of performing any grading or landscaping work or constructing and maintaining erosion prevention devices. Provided, however, that prior to exercising its right to enter upon the property for the purpose of performing any grading or landscaping work or constructing and maintaining erosion prevention devices, the Declarant or Association, as the case may be, shall give the Owner the opportunity to take any corrective action required by giving the Owner notice indicating what type of corrective action is required and specifying in that notice that immediate corrective action must be taken by such Owner.

To implement effective insect, reptile and woods fire control, the Declarant, its successors, assigns, and agents have the right to enter upon any property on which a building or structure has not been constructed and upon which no landscaping plan has been implemented. In any case which in the opinion of the Declarant detracts from the overall beauty, setting and safety of the subdivision, the Declarant, its successors, assigns, and agents shall have the aforementioned rights of entry for the purpose of mowing, removing, clearing, cutting, or pruning underbrush, weeds or other unsightly growth, removing trash, draining standing water or dispensing pesticides.

The cost of this vegetation, trash and drainage control shall be kept as low as reasonably possible and shall be paid by the respective Owner. Such entry shall not be made until after such Owner has been notified in writing of the need of such work and unless such Owner fails to perform the work within time set out in such notice.

The provisions of this Section 3 shall not be construed as an obligation on the part of the Declarant to mow, clear, cut or prune any property, to provide garbage or trash removal services,

to perform any grading or landscaping work, construct or maintain erosion prevention devices or storm drainage improvements, or to provide water pollution control on any privately owned property.

Entrance upon property pursuant to the provisions of this Section 3 shall not be deemed a trespass.

The rights reserved unto the Declarant in this Section 3 shall not be unreasonably employed and shall be used only where necessary to effect the stated intents and purposes of this Declaration.

Section 4. Environmental Hazards. To secure the natural beauty of the subdivision, the Declarant, its successors or assigns may promulgate and amend from time to time rules and regulations which shall govern activities which may, in its judgment, be environmentally hazardous, such as the application of fertilizers and pesticides and other chemicals. Failure of any Owner or tenant of property within the Subdivision to comply with the requirements of such rules and regulations shall constitute a breach of these Covenants.

The Declarant hereby reserves unto itself, its successors, assigns, and agents a perpetual, but releasable, easement and right on, over and under all property in the subdivision for the purpose of taking any action necessary to effect compliance with such environmental rules and regulations and covenants. The cost of such action by the Declarant shall be paid by assessment of the respective Owner(s) of the property upon which the work is performed in accordance with the provisions of Part Three of this Declaration.

Section 5. Further Siting Authority. To prevent excessive "run-off" or drainage resulting from any improvements to residential Lots or other tracts, the Declarant hereby reserves to itself, its heirs and assigns, the right to establish a maximum percentage of property which may be covered by a building, patio, driveway or other structures. In the establishment of such maximum percentage the Declarant shall consider topography, percolation rate of the soil, soil types and conditions, vegetation cover and other relevant environmental factors. Neither this nor any other right reserved herein by the Declarant shall be construed, however, to be an obligation of the Declarant to take any action.

Section 6. Erosion in Open Spaces, Common Properties and Restricted Common Properties. The Declarant, its successors and assigns, shall have the right, but shall not be obligated, to protect all Common Properties from erosion, by planting trees, plants, and shrubs where and to the extent necessary or by such mechanical means as construction and maintenance of siltation basins, or other means deemed expedient or necessary by the Declarant. Section 1. Membership. Every Owner shall be a Member of the Association. The Declarant acting through its designated officers, employees and agents shall be a Member of the Association. In the case of multiple ownership of any Lot, dwelling or other properties in the subdivision, each Owner shall be a Member, subject to such limitations and fees established by the Declarant and Review Board from time to time.

Section 2. Voting Rights. The Association shall have one type of regular voting membership. Each Member shall be entitled to one (1) vote for each Lot which he owns. If a dwelling is constructed on more than one (1) Lot, the Owner shall have one (1) vote for the dwelling, but shall have no additional vote for each other Lot comprising a part of the total consolidated home or building site so long as such lot remains a part of the consolidated site.

When any Property entitling the Owner to membership of the Association is owned of record in the name of two (2) or more persons or entities, whether fiduciaries, joint tenants, tenants-in-common, tenants-in-partnership or in any other manner of joint or common ownership, or if two (2) or more persons or entities have the same fiduciary relationship respecting the same Property, then an instrument shall direct who shall cast the vote or votes, and it or a copy thereof shall be filed with the secretary of the Association.

The Association shall be governed by a Board of Directors consisting of three (3) members, with the number in subsequent years to be determined as provided for in the By-Laws of the Association. The Declarant shall have the right to appoint and remove all three (3) persons on the Board and to appoint and remove all officers of the Association during the period of Declarant control.

Section 4. Cumulative Voting Prohibited. Each Member shall be entitled to as many votes as equals the number of votes he is ordinarily entitled to multiplied by the number of Directors to be elected, but may not cast all of such votes for any one (1) Director and must distribute them among the number to be voted for, and all votes must be cast in whole numbers and not fractions thereof. It is the intent of this Section to prohibit cumulative voting.

ARTICLE II  
PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Members' Easement of Enjoyment in Common Properties. Subject to the provisions of these Covenants, the rules and regulations of the Association, and any fees or charges established by the Association, every Member and every tenant and guest of such Member shall have a right of easement of enjoyment in and to the Common Properties and such easement shall be appurtenant to and shall pass with the title of every Lot. The privilege granted to guests and tenants of Members to use and enjoy the Common Properties, subject to the rules, regulations and fees, if any, established by the Association for such use, may be denied to or withdrawn from such guests or tenants by an affirmative vote of ninety percent (90%) of the votes cast at a meeting of the Association called for the purpose of voting on such denial or withdrawal.

Section 2. Title to Common Properties. The Declarant covenants for itself, its successors or assigns, that, upon the completion of the surveying, platting of same and recordation of the plat, it shall convey to the Association by limited warranty deed those properties designated as "Common Properties". The obligation to convey shall apply only to common properties which are delineated on the plat being currently recorded notwithstanding that there may be other or additional "Common Properties" delineated on the current revision of the Master Plan. All said parcels of land may be conveyed to the Association subject to: (1) all restrictive covenants of record at that time, including but by no means limited to this Declaration; (2) all existing mortgages; (3) a reservation by the Declarant of the right to substitute or add new mortgages thereon; provided, however, that in no event shall the Association be obligated to assume the payment of principal or interest on any such mortgage; and (4) easements reserved by the Declarant herein for special declarant rights.

Section 3. Extent of Members' Easement. The rights and easements of enjoyment created hereby shall be subject to the following:

(a) the right of the Association, in accordance with its Bylaws, to borrow money from the Declarant or any other lender for the purpose of improving and/or maintaining the Common Properties and providing services authorized herein and in aid thereof to mortgage said properties; and

(b) the right of the Association to take such steps as are reasonably necessary to protect the above-described properties against foreclosures; and

(c) the right of the Association, as provided in its By-laws to suspend the rights and easements of enjoyment of any Member, or any Tenant or Guest of any Member, for any period during which the payment of any assessment against property owned by such Member remains delinquent, and for any period not to exceed sixty (60) days for any infraction of its published rules and regulations, it being understood that any suspension for either nonpayment of any assessment or a breach of the rules and regulations of the Association shall not constitute a waiver or discharge of the Member's obligation to pay the assessment; and

(d) the right of the Association to charge reasonable admission and other fees for the use of the Common Properties and any facilities included therein.

(e) The Board of Directors of the Association, or the Declarant during the period of Declarant control, shall have the power to place any reasonable restrictions upon the use of the Association's roadways, subject to compliance with the ordinances of the City of Fayetteville and the County of Cumberland, including but not limited to the types and sizes of vehicles permitted to use said roads, the maximum and minimum speeds of vehicles using said road, all other necessary traffic and parking regulations, and the maximum noise levels of vehicles using said roads. The fact that such restrictions on the use of the roads shall be more restrictive than the laws of any state or local government having jurisdiction over the Property shall not make such restrictions unreasonable; and

(f) the right of the Declarant or the Association by its Board of Directors to dedicate or transfer to any public or private utility, utility easements on any part of the Common Properties; and

(g) the right of the Association to give or sell all or any part of the Common Properties, including leasehold interests, to any public agency, authority, public service district, or private concern for such other purposes and subject to such conditions as may be agreed to by the Members, provided that no such gift or sale or determination as to the purposes or as to the conditions thereof shall be effective unless such dedication, transfers and determinations as to purposes and conditions shall be authorized by (i) the Declarant as long as it owns any portion of the Property and (ii) the affirmative vote of three-fourths (3/4) of the votes cast at a duly called meeting of the Association, subject to the quorum requirements established by Part Four, ARTICLE II, Section 2, and unless written notice of the meeting and of the proposed agreement and action thereunder is sent to every Member of the Association at least thirty (30) days prior to such meeting. A true copy of such resolution together with a certificate of the results of the vote taken thereon shall be made and acknowledged by the President or Vice President and Secretary or Assistant Secretary of the Association and such certificate shall be annexed to any instrument of dedication or transfer affecting the Common Properties prior to the recording thereof. Such certificates shall be conclusive evidence of authorization by the membership and shall not apply to roads, water, sewer and storm drainage dedicated or deeded to the City of Fayetteville or County of Cumberland by the Declarant. The Declarant may make such dedications or conveyances without the members consent;

(h) the rights of reversion of the Lessor of and Common Properties leased by the Association upon expiration of the lease;

(i) the special Declarant rights reserved herein.

ARTICLE III

COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges which are Common Expenses; (2) special assessments for extraordinary maintenance and capital improvements; (3) special assessments for purchase, construction or reconstruction of improvements; (4) to the appropriate governmental taxing authority, a pro rata share of assessments for public improvement to the Common Properties if the Association shall default in payment thereof: The annual and special assessments, together with interest and costs, and reasonable attorney's fees for collection, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them. **The annual assessment at the time of execution of this instrument are hereby set at Three Hundred and Fifty Dollars (\$350.00) annually, which amount may be amended from time to time.** Developer, as long as it owns at least one lot in the subdivision, shall not be responsible for payment of the annual assessment.

The Association shall also have the authority, through the Board of Directors to establish, fix and levy a special assessment on any Lot to secure the liability of the Owner thereof to the association arising from breach by such Owner of any of the provisions of this Declaration which breach shall require the expenditure of time and money or both, by the Association for repair or remedy.

Each Owner covenants, for himself, his heirs, successors and assigns, to pay each assessment levied by the association on the Lot described in such conveyance to him within ten (10) days of the due date as established by the Board, and further covenants that if said assessment shall not be paid within thirty (30) days of the due date, the payment of such assessment shall be in default and the amount thereof become a lien upon said Owner's Lot as provided herein and shall continue to be such lien until fully paid.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the paying of Common expenses to promote the recreation, health, safety, and welfare of the Owners of Lots; and, in particular, but not limited to, for the acquisition, improvement and maintenance of Property, services, amenities and facilities, and for the use and enjoyment of the Common Properties, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes and public assessments assessed against the Common Properties, the providing for limited access to the property, the procurement and maintenance of insurance in accordance with the Bylaws or as deemed appropriate by the Board, the payment of common antenna or cable service, the employment of counsel, accountants and other professionals for the Association when necessary, and such other needs as may arise.

Section 3. Amount of Assessment.

(a) Criteria for establishing Annual Assessment. In establishing the annual assessment for any assessment year, the Board of Directors shall consider all current cost and expenses of the Association, any accrued debts, and reserves for future needs.

(b) Board Authority. Until such time as the Board affirmatively establishes an initial assessment, the assessment shall be Three Hundred and Fifty Dollars (\$350.00) annually.

(c) Declarant Expenses. Until such time as Declarant shall no longer control the Board, Declarant shall pay any Association expenses not otherwise covered by the assessment hereunder.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part the cost

of any construction, reconstruction, restoration, repair or replacement of a capital improvement upon the Common Properties, any extraordinary maintenance, including fixtures and personal property related thereto and any property for which the Association is responsible provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Replacement Reserve. Out of the Common Expenses assessment, the Board shall create and maintain a reserve fund for the periodic maintenance, repair, and replacement of improvements to the Common Properties which the association may be obligated to maintain.

Section 6. Notice and Quorum For Any Action Authorized Under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under this Article shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast fifty-one percent (51%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be twenty-five (25%) percent of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 7. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis or other periodic basis established by the Board.

Section 8. Date of Commencement of Annual Assessments; Due Dates; Initial Working Capital. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the passage of a resolution by the Board duly establishing same. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge if it deems appropriate, furnish a certificate signed by an officer of the association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of issuance.

In addition to the regular assessments to be charged and paid hereunder, each Lot Owner shall, at the time of the initial sale of each Lot by Declarant to that Lot Owner, pay to the Association a sum equal to two (2) months' assessment on that lot as additional working capital of the Association. These amounts need not be segregated but may be commingled with regular assessment funds. This working capital amount shall be paid by the Lot Owner notwithstanding the fact that Declarant may have made prior regular assessment payments to the Association on the Lot being sold pursuant to the provisions of the first sentence hereunder.

Section 9. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall be delinquent, in default and shall bear interest from the due date at the highest rate then permitted by North Carolina law not to exceed eighteen (18%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same plus interest, costs, late payment charges and reasonable attorneys' fees, or foreclose the lien against the Lot. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Elements or abandonment of his Lot.

The lien herein granted unto the Association shall be enforceable pursuant to Article 2A of Chapter 45 of the General Statutes from and after the time of recording a Claim of Lien in the Office of the Clerk of Superior Court in the County in which the Property is located in the manner provided therefore by Article 8 of Chapter 44 of the North Carolina General Statutes, which claim shall state the description of the Lot encumbered thereby, the name of the record owner, the amount due and date when due. The claim of lien shall be recordable any time after thirty (30) days after the due date of the assessment or any installment thereof and the lien shall continue in effect until all sums secured by said lien as herein provided shall have been fully paid. Such claims of lien shall include

all assessments which are due and payable when the claim of lien is recorded, plus interest, costs, attorneys' fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided. Such claims of lien shall be signed by an officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record.

Section 10. Subordination of the Lien to Mortgages and Ad Valorem Taxes. The lien of the assessments provided for herein shall be subordinate to the lien of any institutional first mortgage and ad valorem taxes on said Lot. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage or tax foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer, but shall not abate the personal obligation of the prior owner. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. Exempt Property. Any portion of the Property dedicated to, and accepted by, a local public authority and any portion of the Property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.
